Kokosing Dahlia Gardens

KENNETH W. GAINES

Mount Vernon, Ohio

Dahlia Fans

Win in 1937 with Oakleigh Monarch

We want to call your attention to this giant Dahlia "OAKLEIGH MONARCH". A big, broad-petaled formal type that has created a sensation where ever grown, and truly the finest dahlia we ever have grown and exhibited.

It is truly a beautiful color — a clear, brilliant cerise red — quite unlike any other introduction of recent years, and the keeping qualities, for such a large dahlia, are remarkable. By actual test, blooms of Oakleigh Monarch have kept for ten days in perfect condition.

Flowering habit is very good. Stems, straight and strong. Substance, excellent. Keeping qualities, splendid, long lasting. Habit of plant, heavy, vigorous growth, thick densely branching. Health excellent. Diameter of flower, 8-11 inches; depth, 4½-7 inches. Height of plant, 4 to 5 feet.

In addition to an outstanding record at every show, this remarkable Dahlia has been grown and tested by every critical grower in various sections of the country who unanimously reported it a distinct success in every respect. Because of its ideal stem, rugged plant growth and perfect form, size and color, we predict this new red to be the greatest red ever originated, bar none. We recommend OAKLEIGH MONARCH very highly and it will be a mighty popular variety for years to come.

Roots, \$4.00 Plants, \$2.00

1937 ELITE IN DAHLIAS

SPECIAL INFORMATION

Please Read Carefully

Avoid disappointment by ordering early. Due to the greatest clump sale we have ever had quantities are very limited on some varieties and you will be assured of the best selections by making prompt reservations.

Unless specified, roots will be shipped between April 15 and May 1. Earlier shipments not recommended or guaranteed against freezing, drying out or rotting. Green plants are usually shipped between May 15 and June 15.

Please make your order amount to \$3.00 or more. It actually costs us as much to handle a \$3.00 order as it does to ship a \$5.00 to \$10.00 order. The same amount of detail work, inspection, packing, carton and handling is required.

Our quotations include all ordinary transportation charges fully paid. If you wish "Special Delivery" add 25c to your remittance. We recommend that green plants should travel Special Delivery to insure prompt and careful handling.

Terms: Cash with order, or 25% deposit with order, balance before delivery. Positively no C.O.D. orders accepted.

Guarantee: We guarantee every root or plant sent out by us to be true to name, and in healthy condition when received, after which our responsibility ceases, as we have no control over growing conditions. We ask that you at once notify us if anything is unsatisfactory when received, or if any root or plant does not grow after planted a reasonable time.

Join and support the Dahlia Society of your state. However, if you are a member, join also the American Dahlia Society, Inc. You will receive four quarterly bulletins full of information on Dahlia. Send \$2.00 to Louis C. Alling, Secretary, 251 Court St., West Haven, Conn. We enclose an application blank for your convenience.

We also heartily recommend the Mid-West Dahlia News, published quarterly and edited by D. O. Eldridge, 170 Talmadge St., Madison, Wisc. Subscription \$1.00 per year.

We solicit your business. If you are not already one of our valued customers, give us, at least, a trial order. We believe you will be pleased.

Sincerely yours,

KOKOSING DAHLIA GARDENS

General Description Of Varieties

FOREWORD—On account of limited catalogue space, our descriptions are necessarily brief, being confined primarily to the color and special growing characteristics.

While all of the varieties we list are nationally known and recognized as outstanding leaders of the Dahlia World, we will be glad to supply more complete description upon request.

1937 Introductions

ABBREVIATIONS— (F.D.) Formal Decorative; (I.D.) Informal Decorative; (C.) Cactus; (S.C.) Semi-Cactus; (Inc. C.) Incurved Cactus; (Str. C.) Straight Cactus.

Autumn Sunset (Koenig)

Dahlia authorities have acclaimed this as the finest colored introduction since Jane Cowl. The color is lemon yellow center, spreading to lightly tinted spinel red, toward outside of flower; grow up to 12 inches normally with deep green, very tough and insect resisting foliage; excellent stems of 3 and 4 feet long.

Plants (only) \$7.50

Fireball F.D. (Bissell)

A bright red; perfect formation, size 7 to 10 inches; good stems; exceptionally vigorous; dark green insect resistant foliage.

Plants (only) \$5.00

Greater Glory (Salem)

Rose pink blooms of great size on extra long stems; a great prize winner at the leading Dahlia shows.

Plants (only) \$10.00

Jimmie Fox (Johnson)

A truly spectacular Dahlia of giant size. New color; copper red, tinged with henna. The blooms obtain a size of 13 inches in diameter by 8 inches deep and are supported by long straight stems.

Plants (only) \$7.50

Miss Ohio (Parenica)

Truly the best Incurved Cactus to date; of lilac rose color; long, stiff stems; an ideal exhibition and florist variety. One of the seasons best winners.

Plants (only) \$5.00

Miss Oakland (Hook)

A pure white with a great winning record. Size 7 to 9 inches; an early bloomer; stems stiff and straight, with length 12 to 30 inches; insect resistant foliage.

Plants (only) \$5.00 Net

Purple Mist (Emmons)

A Formal Decorative of dark violet carmine; blooms have excellent substance. Size 9 to 10½ inches by 6 inches deep; stems up to 15 inches, thick, strong and straight. Excellent dark green foliage.

Plants (only) \$5.00

Robert Ripley (Salem)

Informal Decorative; color described as rhodamine purple with rose suffusion; good stems; immense size having been grown, 16 inches by 12 inches.

Plants (only) \$10.00

Pioneer City Bonfire (Buell)

A Formal Decorative of bonfire red. Healthy, leathery foliage; excellent stems and faces just right. You will want this one in your garden.

Plants (only) \$2.50

JOIN THE AMERICAN DAHLIA SOCIETY

We invite our friends and customers to join the American Dahlia Society and become a part of this great National organization whose interest is devoted solely to the improvement of the Dahlia.

The Quarterly Bulletin—a real Dahlia Magazine—gives all the up to date Dahlia news, information about, and illustrations of new varieties, the latest cultural hints and is a real worth while guide to any lover of Dahlias. The Bulletin alone is worth many times the cost of the annual dues.

Trial Gardens are maintained at Connecticut College, Storrs, Connecticut, and The Michigan Agricultural College, East Lansing, Michigan, where new varieties are tested and scored each year. A test garden is also maintained at Cornell University, Ithaca, New York, for research work on insect and disease control. Full reports from all these gardens are published from time to time.

Dahlia “fans” in every state of the Union and many foreign countries are members and frequently contribute news to the Bulletin. Membership includes admission, and the privilege of exhibiting at all our National exhibitions which are held each September in some National center.

Dues \$2.00 per year
Payable in advance

JOIN NOW—and we know
you will not regret doing so
